

# PeopleSoft Upgrade Service

PeopleTech's proven methodology makes PeopleSoft upgrade look so easy. It not only ensures reduction in 30 to 70% cost of the project but, also takes extra step to ensure quality of the upgraded instance.

## Service Offerings -

- Free of cost due-diligence on client's PeopleSoft application suite (one to two weeks)
- Free of cost architecture & infrastructure study and cross matching with PeopleSoft certified hardware and upgrade path (one week)
- Free of cost upgrade assessment workshops at onsite (one week)
  - Overview of current functionality and fit gap against new features
  - Assessment of current application suite with recommendations on database sizing, and infrastructure capacity planning
  - Delta training on new tools
- Use of Upgrade Assistant Tools (uAssist) to bring down effort and project cost
